LOVE YOUR NEIGHBOR

OUR APPROACH

Igniting hope through food and shelter
CityTeam provides prepared meals, grocery and fresh produce distribution, shelter beds, warm showers, clean clothes, and more. Every act of service we provide is an opportunity to start a relationship with someone that can lead to lasting change.

Restoring lives through residential programs
CityTeam helps individuals achieve lasting change in their lives through residential programs that offer safe shelter, restorative care, and support. Graduates of our residential programs achieve sobriety, education milestones, steady employment, family reunification, and a restored and vibrant life.

Transforming communities
CityTeam is a local ministry, embedded in the communities we serve. As we help individuals restore their lives, we are also impacting our cities for good and transforming the communities where we live and work.

PROGRAMS

IMMEDIATE NEEDS
- Neighborhood outreach programs that deliver the essentials that low-income families have to put food on the table and make ends meet. Through relationships, we guide people to our lasting solution programs.

LASTING SOLUTIONS
- Pathway to Economic Stability
- Providing education, training and placement programs to help people obtain living-wage jobs, affordable housing, and build financial sustainability for themselves and their families.

PATHWAYS TO ECONOMIC STABILITY
- Residential Programs
- Recovery program for men who want a new start at life, restored from the grips of homelessness and addiction.

RESIDENTIAL PROGRAMS
- Recovery + Bridge Housing for men so that they can move forward as active members of the community.

RESIDENTIAL + Bridge Housing Programs for men, women, and women with children—give an opportunity for residents to potentially move out of transitional housing when they are ready to transition on their own.

COMMUNITY OUTREACH
- Neighbors for Life
- Connecting people to the CityTeam community through critical services. Every connection—providing hot meals, shelter beds, showers, clothing or medical care—is an opportunity for relationship that can lead to lasting solutions.
