CITY TEAM Youth Collective

**A RESIDENTIAL
PROGRAM FOR
YOUTH**

CITYTEAM YOUTH COLLECTIVE

CityTeam Youth Collective San Jose is a transitional housing program for young women, 18 to 24, providing a bridge to independent adult living.

OUR MISSION AT CITYTEAM IS TO SHARE CHRIST'S UNCONDITIONAL AND REDEMPTIVE LOVE BY CARING FOR IMMEDIATE NEEDS AND ENABLING LASTING SOLUTIONS.

OUR VISION FOR CITYTEAM YOUTH COLLECTIVE IS TO BE A LOVING FAMILY THAT YOUNG PEOPLE CAN BE A PART OF, TO GET THE SUPPORT THEY NEED TO ACHIEVE THEIR GOD-GIVEN POTENTIAL.

HOUSING

CityTeam Youth Collective participants live in a very nice two-story, well-furnished house in South San Jose. It is a community-oriented environment where young women can feel part of a family of people that are there to support each other. Because the program wants to help participants live independently once out of the program, emphasis is on the skills and knowledge required to work toward independent living.

CASE MANAGEMENT

CityTeam Youth Collective focuses on the individual participant's needs to accomplish their life goals. Qualified case managers will meet with each resident at least weekly, and help them identify the critical paths, what to do to remove obstacles, and how to keep on track in working toward their goals.

On an as-needed basis, CityTeam Youth Collective will refer participants to appropriate behavioral health services.

COACHING AND MENTORING

In addition to a case manager, each participant is assigned a life coach and mentor to help guide her to her goals and to provide counsel on addressing situations that may arise so that they don't hinder her progress.

EDUCATION AND CAREER DEVELOPMENT

Utilizing our CityTeam @ Work center, CityTeam Youth Collective offers educational, job training and placement opportunities. Education services range from high school completion to preparing for college placement tests and pre-employment tests. A variety of job training programs give participants opportunities to train in their field of interest and receive support and coaching for job application and more. An Individualized Learning Plan (ILP) is created to direct their learning and development.
