Help low-income children through CityTeam’s Backpacks for Success program! You can help provide a backpack and essential school supplies to kids who might otherwise go without. Our goal is to provide 2,200 children with backpacks before school starts.

1. Collect backpacks and school supplies, then divide the supplies and place them in the backpacks.
2. Include an encouraging note to a kid who will be receiving the backpack.
3. Bring your items to:
   CityTeam Chester
   634 Sproul St. Chester, PA 19013
