OUR MISSION AT CITYTEAM IS TO SHARE CHRIST’S UNCONDITIONAL AND REDEMPTIVE LOVE BY CARING FOR IMMEDIATE NEEDS AND ENABLING LASTING SOLUTIONS.

OUR APPROACH

Igniting hope through food and shelter
CityTeam provides prepared meals, grocery and fresh produce distribution, shelter beds, warm showers, clean clothes, and more. Every act of service we provide is an opportunity to start a relationship with someone that can lead to lasting change.

+ Restoring lives through residential programs
CityTeam helps individuals achieve lasting change in their lives through residential programs that offer safe shelter, restorative care, and support. Graduates of our residential programs achieve sobriety, education milestones, steady employment, family reunification, and a restored and vibrant life.

= Transforming communities
CityTeam is a local ministry, embedded in the communities we serve. As we help individuals restore their lives, we are also impacting our cities for good and transforming the communities where we live and work.

HOW IT WORKS

• Your first 30 days will be a blackout period to help you better integrate into the program and community.

• You will participate in workshops with three focus areas: 12-step program, job readiness and workshop development, and whole-body wellness.

• Your living space is shared in a dormitory style set-up, and you are responsible for the cleanliness of your space and upkeep of community areas.

• You will work towards long-term sobriety, preparing for employment or meaningful volunteering, improving earning potential, and transitioning to independent living.

• To help you learn how to best manage your finances, there is a program fee once employment is secured.

• We work with you to transition out of the program on time, into stable housing and sustainable employment.

• You will work one-on-one with a case manager, and participate in spiritual mentoring and community fellowship.
